U. of O. Will Have New Team on Gridiron

SAN FRANCISCO, Sept. 26.—University of Oregon's champion football machine, which last New Year's Day defeated the University of Pennsylvania at Pasadena, Calif., will have to be rebuilt almost entirely this year, as a majority of the members of the 1916 team have enlisted or will not return to school.

For a time it was thought not one of the 1916 eleven would return, but this fear was dispelled when Charles "Shy" Huntington, last year's quarterback, failed to pass the physical examinations for entrance into the marines or the ambulance corps, and announced that he would be back in his suit this year.

With Huntington, the nucleus of the 1917 team will be "Bill" Steers, a sophomore, who last year played on the varsity against Oregon Agricultural College team; Basil Williams, a tackle, and "Tony" Gorecky, a track man, who is reputed a good prospect for half back.

Hugo Bezdek, University of Oregon coach, who is at present manager of the Pittsburg National League baseball team, will be back on the campus ready to begin work by October 1st. Graduate Manager A. R. Tiffany has announced.
